

April/May 2020

WINTER HUSKIES SNOWMOBILE CLUB

A Few Words from the Secretary

Whew...what a season! We sure had our share of challenges. Thank you to all our members and business sponsors for your continued support.

A huge shout-out to our club groomer operators for giving up their free time to groom more than 420 hours this past season! This is often a thankless job. If you see them out and about after all this craziness is over let them know how much they are appreciated. Dale Beissel, Bill Wellnitz, Randy Niederkorn, Brian Kastner, Jim Jones, Mike Weidman, Terry Herder, Randy Neumann, Damien Heath, Jeff Heath, Pat Lueloff, Brad Momberg, and Collin Mikesch.

Both the LMC and Bombardier have had the end of season maintenance completed and are parked in the groomer shed ready for next season to start. The tractor is ready for grading gravel and other summer maintenance projects. A crew will be working with the Tuscobia Trails ATV Club to grade the Tuscobia from Lemmington to Price County within the next couple of weeks. Plans are being put in place to widen out trails 9, 6 and 5 to allow for the tractor to groom next year. We will also be working with landowners throughout the summer to see if we can access their property to fix any issues so that we are better prepared when snow hits next December. Watch for emails and our Facebook page for information on work days as they are scheduled. Stay on the look-out this summer for new menu boards that will be going up along the Tuscobia.

The Tuscobia Trail is open for those looking to get out for some fresh air. Please note that the club elections have been postponed until the end of summer due to Covid-19. Stay safe and healthy! I hope to see you all over the summer and at our club picnic in August.

Dixie Weidman –Winter Huskies Secretary
