Trail Information

This months report is short but sweet. As of January 14th, groomers have not been running much in the southern parts of the County due to there not being enough snow in some areas. However trails have been reported as in good shape. All we need is more snow for the groomers to run. Groomers have been running north of the flowage and have a deeper base.

We are anticipating a snow storm to come through over the next couple of days that can bring anywhere from 3 to 7" depending on the area. Fingers crossed that we are closer to the higher total.

The Alliance has worked with Winter Huskies to hire a contractor to complete brushing on 5N from 70 to Blaisdell and on 5S from Tower Rd to Rusk County. They have been running behind schedule but we will keep you updated on the progress.

Ride Safe!! Ride Right!!

Groomer operators wanted!

Did you know that the Winter Huskies is responsible for grooming 131.8 miles of trails? We are in need of volunteers to help us keep our trails pristine.

#SLED SAWYER 2020

Sponsored, in part, by the Wisconsin Department of Tourism

Snap A Sled Selfie

The Hayward Lakes area in Sawyer County is known for some of the best snowmobiling in the country, with access to more than 600 miles of groomed trails. When you come to explore our winter playground you get to experience hundreds of miles of natural beauty through the Wisconsin wilderness.

As you explore you'll notice the Association of Wisconsin Snowmobile Clubs sign along the trails and at local businesses declaring Sawyer County the Snowmobile Friendly County in Wisconsin. When you see one of those signs, don't just zoom past -- stop and snap a selfie with it. If you post your selfie on Facebook or Instagram with **#sledsawyer2020** you will be entered into a drawing!

There will be three winners chosen on March 3, 2021.

- \$500 -- Goes to the best photo submitted (chosen by the contest administrators)
- \$250 -- Goes to a randomly selected entry
- \$250 -- Goes to another randomly selected entry

#sledsawyer2020 starts December 12 and runs through Sunday, Feb. 28, 2021. You can enter as many times as you want...as long as each photo is posted with **#sledsawyer2020**. So snap those selfies and post often! Visit www.haywardlakes.com for more information and the contest rules.
